The proposed effective date of the increased fares is Thursday, March 1, 2018, unless the Colorado Public Utilities Commission suspends the effective date of the proposed changes.

Objections to the proposed tariff changes must be made in writing and filed with the Colorado Public Utilities Commission, 1560 Broadway, Denver, CO 80202, at least 10 days before the proposed effective date of March 1, 2018. If the Commission sets the matter for hearing, the filing of a written objection will not by itself allow a person to participate in the hearing. To participate in the hearing, a party must also file a written intervention and receive approval of the Commission to intervene. Requests to intervene as a party must comply with Commission rules.
